General Liability

If someone is injured at your office, you could be sued!

Are you protected if a client or visitor to your office is injured?

Protect yourself against the costs of lawsuits, damages, and other claims putting your business assets at risk with **General Liability Coverage**.

General liability protection is a critical option protecting your practice, agency, or organization if an injury or property damage occurs to others as a result of your business operations.

With General Liability Coverage, you can rest assured that if your business is sued – **sometimes even when you did nothing wrong** – you will have a partner to help you prevail, protect you from third-party injuries and associated defense costs.

Our coverage is designed to be your solution for unique and difficult general liability exposures.

Our General Liability Policy Covers:

- Property Damage
- Personal and Bodily Injury
- Reputational Harm
- Advertising Errors
- Fire Legal Liability
- Medical Costs & Payments
- Legal Defense Cost

Don't risk facing a lawsuit that could put you out of business! Get the right General Liability Protection!
